The copy filmed here has been reproduced thanks to the generosity of:

National Library of Canada

The images appearing here are the best quality possible considering the condition and legibility of the original copy and in keeping with the filming contract specifications.

Original copies in printed paper covers are filmed beginning with the front cover and ending on the last page with a printed or illustrated impression, or the back cover when appropriate. All other original copies are filmed beginning on the first page with a printed or illustrated impression, and ending on the last page with a printed or illustrated impression.

The last recorded frame on each microfiche shall contain the symbol \rightarrow (meaning "CONTINUED"), or the symbol ∇ (meaning "END"), whichever applies.

Maps, plates, charts, etc., may be filmed at different reduction ratios. Those too large to be entirely included in one exposure are filmed beginning in the upper left hand corner, left to right and top to bottom, as many frames as required. The following diagrams illustrate the method:

L'exemplaire filmé fut reproduit grâce à la générosité de:

Bibliothèque nationale du Canada

Les images suivantes ont été reproduites avec le plus grand soin, compte tenu de la condition et de la netteté de l'exemplaire filmé, et en conformité avec les conditions du contrat de filmage.

Les exemplaires originaux dont la couverture en papier est imprimée sont filmés en commençant par le premier plat et en terminant soit par la dernière page qui comporte une empreinte d'impression ou d'illustration, soit par le second plat, selon le cas. Tous les autres exemplaires originaux sont filmés en commençant par la première page qui comporte une empreinte d'impression ou d'illustration et en terminant par la dernière page qui comporte une telle empreinte.

Un des symboles suivants apparaîtra sur la dernière image de chaque microfiche, selon le cas: le symbole \rightarrow signifie "A SUIVRE", le symbole ∇ signifie "FIN".

Les cartes, planches, tableaux, etc., peuvent être filmés à des taux de réduction différents. Lorsque le document est trop grand pour être reproduit en un seul cliché, il est filmé à partir de l'angle supérieur gauche, de gauche à droite, et de haut en bas, en prenant le nombre d'images nécessaire. Les diagrammes suivants illustrent la méthode.

SUPERANNUATION.

Conditions of allowance. **3.** The Governor in Council may grant to any person who has served in an established capacity in the Civil Service for ten years or upwards, and who has attained the age of sixty years, or is incapacitated by bodily infirmity from properly performing his duties, a superannuation allowance calculated on his average yearly salary during the then last three years, and not exceeding the following rates, that is to say:—

Rates of allowance. (a.) If he has served for ten years, but less than eleven years, an annual allowance of ten fiftieths of such average salary, and if for eleven years and under twelve years, an annual allowance of eleven fiftieths thereof, and in like manner a further addition of one fiftieth of such average salary for each additional year of service up to thirty-five years, when an annual allowance of thirty-five fiftieths may be granted; but no addition shall be made for any service beyond thirty-five years;

Maximum rate for 35 years. (b.) If the service has not been continuous, the period or periods during which such service has been interrupted shall not be counted, and the Order in Council made in any such case shall be laid before Parliament at its then current or next ensuing session. 46 V., c. 8, s. 2.

Breaks in service not to be counted.

Governor in Council may add to service of persons appointed on account of special qualifications. **4.** The Governor in Council may, in the case of any person who entered the Civil Service after the age of thirty years, as being possessed of some peculiar professional or other qualifications or attainments required for the office to which he was appointed, and not ordinarily to be acquired in the public service, add to the actual number of years' service of such person, such further number of years not exceeding ten, as is considered equitable, for reasons stated in the Order in Council made in the case; and such additional number of years shall be taken as part of the term of service on which the superannuation allowance of such person shall be computed; and the Order in Council in any such case shall be laid before Parliament at its then current or next ensuing session. 46 V., c. 8, s. 3.

Preliminary inquiry by Treasury Board. **5.** The superannuation of every civil servant shall be preceded by an inquiry by the Treasury Board—

(a.) Whether the person it is proposed to superannuate is eligible within the meaning of this Act; and—

(b.) Whether his superannuation will result in benefit to the service, and is therefore in the public interest; or—

(c.) Whether it has become necessary in consequence of his mental or physical infirmity:

Report of Board. 2. No civil servant shall be superannuated unless the Treasury Board reports that he is eligible within the meaning of this Act and that such superannuation will be in the public interest. 46 V., c. 8, s. 4.

6. A deduction towards making good the superannuation allowances hereinbefore mentioned, shall be made from the salary of every person in the Civil Service to whom this Act applies, at the rate of three and one-half per cent per annum on such salary, if it is six hundred dollars or upwards, and of three per cent per annum thereon, if it is less than six hundred dollars, such deduction to be carried to the credit of a fund called the Civil Service Superannuation Fund, No. 2, to which shall be added by the Government annually such a sum as may be sufficient to make the amount thereof equal to the value of the prospective annuities payable therefrom, as hereinafter mentioned, to the several contributors thereto, upon an estimate or valuation thereof based upon the H. M. Mortality Table of the Institute of Actuaries of Great Britain and a rate of interest of six per cent per annum; but such deduction shall be made only during the first thirty-five years of service. 46 V., c. 8, s. 5 and 56 V., c. 12, s. 3.

Deductions from salaries.

Special fund.

Proviso.

7. The full superannuation allowance shall only be granted to persons who have been subject to the said deduction during ten years or upwards,—the superannuation allowance of any person who has not paid it, or has paid it for a less period, being subject to a diminution of one per centum for every year less than ten during which he has not paid it; except that the superannuation allowance of any person hereafter retiring, shall not be subject to any such diminution by reason of his not having paid the abatement hereinbefore mentioned, during any year or years after his first thirty-five years of service. 46 V., c. 8, s. 6.

Ten years' contribution requisite for full allowance.

Diminution for less period of contribution.

Exception.

8. Retirement shall be compulsory on every person to whom the superannuation allowance hereinbefore mentioned is offered, and such offer shall not be considered as implying any censure upon the person to whom it is made; nor shall any person be considered as having any absolute right to such allowance, but it shall be granted only in consideration of good and faithful service during the time upon which it is calculated:

Compulsory retirement.

Allowance conditional on good service.

2. Nothing herein contained shall be understood as impairing or affecting the right of the Governor in Council to dismiss or remove any person from the Civil Service. 46 V., c. 8, s. 7.

Right of dismissal not impaired.

9. If the Head of a department reports with respect to any person employed in his department, and about to be superannuated, from any cause other than that of ill-health or age, that the service of such person has not been satisfactory, the Governor in Council may, as to him seems fit, grant such person a superannuation allowance less than that to which he would have otherwise been entitled. 46 V., c. 8, s. 8.

Diminution when Head of Department reports unsatisfactory service.

Gratuity when yearly allowance not earned.

Gratuity in case of bodily injury on duty.

Provision for abolition of office, reduction of staff, &c.

Discretionary power of Governor in Council.

10. If any person to whom this Act applies, is constrained, from any infirmity of mind or body, to quit the Civil Service before the period at which a superannuation allowance might be granted him, the Governor in Council may allow him a gratuity not exceeding one month's pay for each year of his service; and if any such person is so constrained to quit the service before such period, by reason of severe bodily injury, received without his own fault, in the discharge of his public duty, the Governor in Council may allow him a gratuity not exceeding three month's pay for every two years' service, or a superannuation allowance not exceeding one-fifth of his average salary during the then last three years. 46 V., c. 8, s. 9.

11. If any person to whom this Act applies is removed from office in consequence of the abolition of his office for the purpose of improving the organization of the department to which he belongs, or is removed, or retired from office to promote efficiency or economy in the Civil Service, the Governor in Council may grant him such gratuity or superannuation allowance as will fairly compensate him for his loss of office, not exceeding such as he would have been entitled to if he had retired in consequence of permanent infirmity of body or mind, after adding ten years to his actual term of service. 46 V., c. 8, s. 10.

12. Every person who receives a superannuation allowance, and is under the age of sixty years, and is not disabled by bodily or mental infirmity, may be called upon to fill, in any part of Canada, any public office or situation for which his previous services render him eligible, and which is not lower in rank or emolument than that from which he retired; and, if he refuses or neglects so to do, he shall forfeit his said allowance. 46 V., c. 8, s. 11.

13. Service in an established capacity in any of the departments of the Executive Government or offices of the Legislature of any of the Provinces now included in the Dominion of Canada, before such Province became a portion thereof, by any person who has thereafter entered the Civil Service, shall be reckoned in computing his period of service for the purposes of this Act. 46 V., c. 8, s. 12.

14. In any case of doubt the Governor in Council may, by general or special regulations, determine to what persons the provisions of this Act do or do not apply, and the conditions on which, and the manner in which, they shall apply in any case or class of cases. 46 V., c. 8, s. 13.

15. The superannuation allowance to which all persons to whom this Act is applicable become entitled shall be chargeable upon and payable out of the said fund. 56 V., c. 12, s. 4. Payment of allowances.

REPORT OF SUPERANNUATIONS.

16. The Minister of Finance and Receiver General shall lay before Parliament, within fifteen days after the commencement of each session thereof, a statement of all superannuations and retiring allowances in the Civil Service within the year, giving the name and rank of each person superannuated or retired, his salary, age and length of service, the allowance granted to him on retirement, the cause of his superannuation and whether the vacancy has been subsequently filled, and if so, whether by promotion or by a new appointment, and the salary of the new appointee, and also a statement showing the condition of the said fund, at the thirtieth day of June previous. 46 V., c. 8, s. 15 and 56 V., c. 12, s. 5. CHAP. 13.

An Act respecting Government Civil Service Insurance.

[Assented to 1st April, 1893.]

HER Majesty, by and with the advice and consent of the Senate and House of Commons of Canada, enacts as follows :—

1. This Act may be cited as *The Civil Service Insurance Act*. Short title.
2. In this Act, unless the context otherwise requires, the expression "Minister" means the Minister of Finance and Receiver-General. defined.
3. The Minister may contract with any person to whom *The Civil Service Superannuation Act* applies, or who may be hereafter appointed to a permanent position in any branch of the Public Service of Canada, for the payment of a certain sum of money to be made upon the death of such person. Insurance contracts authorized.
2. Any such contract is hereinafter called the "insurance contract"; the person so contracting with the Minister is hereinafter called the "insured"; and the amount so contracted to be paid is hereinafter called "insurance money." Interpretation.
4. When the insured is a married man or a widower with children, the insurance contract shall be for the benefit of his wife, or of his wife and children, or of his wife and some one or more of his children, or of his children only, or of some one or more of them; and when the insurance contract is effected for the benefit of more than one, the insured may apportion the insurance money among them as he deems proper. Apportioning of insurance in case of married man or widower with children.

Apportionment in case of unmarried man.

5. When the insured is an unmarried man, the insurance contract shall be for the benefit of his future wife, or of his future wife and children, and the insured may apportion the insurance money among them in such manner as he sees fit; but if, at the maturity of the contract, he is still unmarried, or is a widower without children, the insurance money shall fall into and become part of his estate.

Form of apportionment.

6. Any apportionment under the next two preceding sections may be made in the insurance contract, or by a declaration endorsed thereon or annexed thereto and signed by the insured.

"Children" defined.

7. When it is stated in the insurance contract, or in a declaration endorsed thereon or attached thereto, that the insurance contract is for the benefit of the wife and children generally, or of the children generally, of the insured, without specifying their names, then the word "children" shall mean all the children of the insured living at the time of his death whether by the same wife or by different wives.

Share of person dying before the insured.

8. Where an apportionment has been made as hereinbefore provided and one or more of the persons in whose favour the apportionment has been made die in the lifetime of the insured, the insured may, by an instrument in writing endorsed on or attached to the insurance contract, declare that the shares formerly apportioned to the persons so dying shall be for the benefit of the wife and children of the insured, or of one or more of them, as he sees fit; and in default of such declaration, the shares of the persons so dying shall be for the benefit of the survivor, or of the survivors of such persons in equal shares if more than one; and if all the persons so entitled die in the lifetime of the insured, the insurance money shall fall into and become part of the estate of the insured.

If there is no apportionment.

9. When no apportionment is made of the insurance money as hereinbefore provided, all persons interested shall be held to share equally therein.

Minister may decline to contract.

10. The Minister may decline to enter into an insurance contract in any case where there are, in his opinion, sufficient grounds for his declining to do so.

Tables to be prepared.

11. The Minister shall cause tables to be constructed fixing the premiums to be paid by the insured to the Minister as the consideration for such insurance contracts, and also all other tables necessary for the carrying out of the provisions of this Act.

Basis of tables.

2. All such tables shall be based on the H. M. Mortality Table of the Institute of Actuaries of Great Britain, and on

a rate of interest of six per cent per annum, no allowance being made for expenses.

3. Such tables shall be framed so that the premium to obtain an insurance contract may be paid in one sum, or in annual, semi-annual, quarterly, or monthly instalments, and either during the life of the insured or during a limited period.

Additional
payment if
insured now
